

## PSQB's Pupil Holly Clegg receives her confirmation of tenancy

Following a very successful pupillage Holly Clegg will be joining Park Square Barristers as a tenant. Holly has undertaken a mixed civil and criminal pupillage under the supervision of Simon Anderson and Catherine Silverton and regularly accepts instructions in both areas.

### CRIME:

Since starting her second six Holly has conducted numerous trials and hearings in the Magistrates' Court for both the prosecution and defence including multi-handed cases, youth trials and domestic violence cases. She has also appeared in the Crown Court on a number of hearings and has recently been instructed in her first Crown Court defence trial.

### CIVIL:

Holly has conducted numerous civil hearings including various applications, small claims as well as a fast track trial on a contract law dispute. Holly also regularly accepts instructions to draft advices and pleadings and is able to turn around papers quickly.

Holly Clegg will become a tenant on 5 September and we are delighted that she is joining our Team.
