

PSQB Family Team Hosts Client Summer Party

Persistent rain did not dampen the spirits at the PSQB Family Team summer drinks party last night.

Around 100 people attended the roof top terrace at Angelica's for drinks and canapes as PSQB thanked all their clients for their continued support.

The PSQB Family Team continues to go from strength to strength – we continue to attract established practitioners from other sets as well as developing young talent in our ranks.– we would be delighted to hear from you – for further information please contact one of the Family Clerks:
