

## Six more defendants convicted in Operation Tendersea

[Richard Wright QC](#), [Kate Batty](#) and [Andrea Parnham](#) prosecute in this investigation into the systematic sexual abuse of vulnerable young females in the Huddersfield area between 2004 and 2007.

These further convictions follow a 6 week trial which concluded at the end of October which was the fifth trial in the operation. The defendants were sentenced earlier today. 27 defendants have been convicted to date as part of this operation.
